Renewal HMIS, Renewal Coordinated Entry, and all renewal projects with less than one year of operating data were automatically placed at the bottom of Tier 1, just above the 'straddling' project. These projects' scores are marked as "N/A" and are colored light blue. New projects are colored bright blue for ease of identification. The bottom 30% of scored projects are marked with an * to show that they are eligible to file a notice of intent to appeal.
