

**NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION  
FOR THE CLOVIS LANDFILL LEFT TURN LANE PROJECT  
NOTICE OF PUBLIC HEARING**

Notice is hereby given, that a public hearing will be held by the City Council of the City of Clovis on Monday, February 6, 2016 at 6:00 p.m. or as soon thereafter as the matter can be heard in the Council Chambers at City Hall, 1033 Fifth Street, Clovis, California, in order to consider the proposed Clovis Landfill Left Turn Lane Project in accordance with the California Environmental Quality Act.

The proposed project would widen Auberry Road to include a left turn lane at the Clovis Landfill entrance. Construction of the project would also include extension of the underground drainage pipes beneath Auberry Road to accommodate the widening, with the exception of the westernmost pipe. The purpose of the project is to improve safety at this location by clearly delineating the through lanes and the turning lane. The proposed project would consist of approximately 1,600 linear feet along Auberry Road. Within the study area, Auberry Road currently has one 12-foot travel lane and one 4-foot bike lane in each direction, for a total road width of 32 feet. Both sides of the roadway include a flat, unpaved narrow shoulder. A cut slope is located adjacent to the south side of the roadway. The proposed project would widen the roadway by 12 feet and would require a 4,900 square foot acquisition of right-of-way across APN 300-080-80 and a 4,600 square foot acquisition of right-of-way across APN 300-080- 83ST to accommodate the new left turn lane. Grading of the slope on the south side of Auberry Road would be required as part of the proposed project. The final roadway alignment design would avoid disturbance of the land north of Auberry Road.

On the basis of the Initial Study, the environmental coordinator has concluded that the project will not have a significant effect on the environment and, therefore, has prepared a Mitigated Negative Declaration. Copies of the Initial Study/Mitigated Negative Declaration are on file and available for review on the City's website (<http://www.ci.clovis.ca.us/>) and at City Hall, 1033 Fifth Street, and are available for inspection by any and all persons interested therein. This notice is given in order to provide all parties an opportunity to be heard and to present their views regarding this application. The review period will run from December 9, 2016 to January 9, 2016.
