

**City of Clovis
NOTICE OF PREPARATION**

**Shaw Avenue Widening Between De Wolf and McCall Avenues
Environmental Impact Report**

The City of Clovis (City) will be the Lead Agency and will prepare an environmental impact report (EIR) for the Shaw Avenue Widening between De Wolf and McCall Avenues Project (project). The project involves widening Shaw Avenue between De Wolf and McCall Avenues from a two-lane rural road to a five- to six-lane urban arterial street.

Based on an Initial Study the City prepared for the project, the EIR will be tiered and focused. As a tiered EIR, the EIR will concentrate on evaluating issues specific to the project and will refer to the "City of Clovis General Plan Update Program EIR" and "Loma Vista Specific Plan EIR" for analyses of general matters related to the project. The EIR will focus on evaluating the potentially significant environmental effects of the project as identified in the Initial Study.

City staff will hold an informational public meeting on the project on Thursday, July 28, 2016 at 6:00 p.m. in the Council Chamber of the Clovis Civic Center, 1033 Fifth Street, Clovis, California. City staff will provide information on the project and will take comments on the potential environmental effects of the project.

A scoping meeting for public agencies will be held on Wednesday, July 27, 2016 at 2:00 p.m. in the Planning and Development Services Department office at 1033 Fifth Street, Clovis, California.

Written comments in response to this Notice of Preparation must be received no later than 3:00 p.m. on Friday, August 12, 2016. Please send your comments to Ryan Burnett, AICP, Management Analyst, City of Clovis Planning & Development Department, 1033 Fifth Street, Clovis, CA 93612; Email: RyanB@ci.clovis.ca.us; Telephone: (559) 324-2336

The Initial Study referenced in this notice may be viewed at the address listed above and at www.cityofclovis.com.
