

Let's get involved in our neighborhood

Dear Neighbor:

My name is (your name), and I am interested in starting a Community Watch Program in our neighborhood. If each family on this street participates in the program, together we can improve the safety of our neighborhood by keeping vandals and criminal activity away from our homes and families. I am asking for your commitment to participate in this Program.

In order to start the Program, as a group, we would need to purchase Clovis Community Watch signs which the City of Clovis would install and maintain on our street. These signs cost \$25.00 each, and come with eight home window stickers for each resident to put in their front windows identifying them as a participant in the Community Watch Program. The cost of these signs/stickers will be split among the participating members of our Community Watch Program. These signs and stickers assist in deterring crime in our neighborhood.

As the Block Captain, I will be organizing future Community Watch meetings in order for our members to get to know each other, as well as discuss any concerns you may have regarding criminal activity in our area.

Please let me know if you are interested in participating in our Community Watch Program. I can be reached by email (list your email), or by phone at (list phone # you want them to contact you at).

Thank you so much for being involved and keeping our city and neighborhoods safe!

Sincerely,

(Your Name)
