VOLUNTEER GUIDLEINES

May 29, 2012

One-Time Volunteering

Volunteers working at a solitary or one-time event must fill out a Volunteer Application and a Volunteer Liability Waiver. The event will be organized by the City. Volunteers may be asked to bring their own tools, protective equipment and water depending on the nature of the event. One-time events usually last two to four hours and involve washing, raking or cleaning in a park or along a trail. The City schedules four (4) "Volunteer Days" per year.

On-going Volunteering

On-going volunteering is done on a monthly basis for two to four hours. Volunteers working as on-going volunteers must fill out a Volunteer Application, a Liability Waiver, and a Volunteer Information Sheet. On-going volunteers may also be required to have a background check. On-going volunteers may be required to bring their own tools, protective equipment and water. On-going Volunteers will need to be available for communication with the City.

Adopt-A-Park

Adopt-A-Park is the umbrella name for the adoption of an area within the City parks, trails, or other landscaped areas. Adoption requires at least two to four hours per month, depending on the requirements of the area; additional time may be needed. Volunteers wishing to "Adopt" an area must fill out a Volunteer Application, a Liability Waiver, and a Volunteer Information Sheet. The City may also require a background check. Volunteers wishing to "Adopt" an area may be required to bring their own tools, protection equipment and water. Volunteers that "Adopt" an area will need to be available for communication with the City. Volunteers who "Adopt" an area must meet the maintenance requirements of the area being adopted. Volunteers that "Adopt" an area may receive a recognition sign placed in the adopted area.
