

CLOVIS FIRE DEPARTMENT

APPLICATION FOR PERMIT TO RECEIVE MODEL ROCKET ENGINES

Name of Applicant: _____ Age* _____
PLEASE PRINT FULL NAME

Mailing address _____
PLEASE PRINT COMPLETE ADDRESS

Phone # _____ Driver's License # _____

*Note: No person may receive model rocket engines unless they are at least eighteen (18) years of age, except as provided in Section 1036, Subchapter 6, Title 19, California Administrative Code.

1. The undersigned certifies that he is familiar with the provisions of the regulations of the State Fire Marshal, and with local regulations, if any, pertaining to the possession, storage and use of model rocket engines, and further, that he will strictly observe such laws and regulations.
2. The undersigned certifies that the model rocket engines will be stored in compliance with any standards set forth by the authority issuing a permit. (It is recommended that any quantity propellant in excess of ten pounds (10#) net weight be stored in a stout wooden box.)
3. The undersigned certifies that any firing or testing of model rocket engines will be done only at the locations approved by the local fire authority. At present, there are three sites approved by the Clovis Fire Department for firing or testing of model rockets: Clovis High School, Clark Intermediate School, and Cole Elementary School.
4. Clovis Fire Department requires written permission be submitted from the school district to use their facilities for the firing or testing of model rocket engines.
5. Application is hereby made for the following:

Number of Model Rocket Engines _____

Total Net Weight of Propellant _____

Location of Proposed Launch _____

6. The undersigned certifies that they will supervise the transportation, storage, arming of rockets with engines, firing and disposing of all unfired or defective rocket engines.
