

**FRIENDS OF
CLOVIS AREA RECREATION**
P.O. Box 1531 Clovis, CA 93613-1532

Dear, Community Member

Due to the City of Clovis's budgetary restraints the Clovis Area Recreation (CAR) programs have been drastically reduced, which include the closure of the Clovis Recreation Center. The Center must raise \$85,000 to sustain programs and remain open through June 2010.

Special events and recreational activities act as a positive deterrent to inappropriate activities. The way an individual uses his/her leisure time helps define their social habits and personality. Meaningful leisure activities help reduce the high cost of vandalism and criminal activities. Such activities also promote health, ethnic, family and cultural harmony as well as community awareness, responsibility and leadership opportunities. All of these positive aspects will help build Clovis into a stronger community.

In an effort to return Clovis Area Recreation programs to their normal level the Clovis Community Foundation has set up an account for tax deductible donations.

You may send this form and your tax deductible donation to:

The Clovis Community Foundation, P.O. Box 1531 Clovis, CA 93613-1531, and please write: **Clovis Area Recreation** in the memo line.
